May	20	Mon Students to report after the annual vacation
May	21	Tue Varsharambha for session 2023-2024

Important notes:

1. All the schools are expected to start practice for all the competitions well in advance. Involve maximum number of students in school level competitions, that will help them to get more exposure.
2. It is mandatory for all the middle and secondary schools to participate in Science Congress. Start project preparation in the first month itself.
3. All the schools should allot 2 periods for special coaching in ENG, SSC, SC, MATH to equip the children for the competitive examinations.
4. All the preparations for celebrations and competitions are to be planned without affecting the subject periods.
5. Residential schools are to conduct minimum 10 competitions in the scholastic / co- scholastic areas for hostellers during holidays. Competitions can be one act play in English, Debate, Subject Quiz, Poem Recitation, Rangoli Making, Book Review, etc.
6. All the schools are expected to conduct literary competitions for all the classes at frequent intervals. Four groups can be made like class I & II, III to V, VI to VIII, and IX & X for conducting the competitions. Minimum 10 competitions for each group can be planned. 1/10 of total participation may be declared as winners and 1/10 of total participation can be declared as second prize winners. School may prepare the competitions chart and display in notice boards. If the number of participants is more, then the competitions may be conducted class wise (in class itself) and then selected students are to compete group wise. Competitions may be conducted in two periods without affecting the regular subject periods.
7. Conduct a school level Exhibition by Primary students.
8. Conduct 2 Numbers of medical check-up for all the students in an academic session. One each in first and second terms.
9. It is mandatory to maintain separate records of all the activities conducted, their outcomes with the brief reports

The following Prashikshan Shivirs are planned for which dates & venues will be intimated later

1. Skill teachers' work shop.
2. Contents enrichment camp for Higher Secondary Level Science Teachers
3. Workshop on Library Management for Librarians
4. Maths Teachers' Training Programme Primary & Middle
5. Science Teachers' Workshop – Cluster wise Programme
