02	Admission for Entry point of the Schools (Class I for Days scholar and Class I & III / IV for Hostel schools)	11 th Feb 2023

- i. All the schools are expected to start practice for all the competitions well in advance. (Involve good number of students in School level competitions)
- ii. It is mandatory for all the middle and secondary schools to participate in Science Congress. Start project preparation in the first month itself.
- iii. All the preparations for celebrations and competitions are to be planned without affecting the subject periods.
- iv. Residential schools are to conduct minimum 10 competitions (on scholastic/co- scholastic area) for hostellers during holidays. Competitions can be one act play in English, Debate, Subject Quiz, Poem Recitation, Rangoli Making, Book Review, etc.
- v. All the schools are expected to conduct literary competitions for all the classes at frequent intervals. Four groups can be made like class I & II, III to V, VI to VIII, and IX & X for conducting the competitions. Minimum 10 competitions for each group can be planned. 1/10 of total participation may be declared as winners and 1/10 of total participation can be declared as second prize winners. School may prepare the competitions chart and display in notice boards. If the number of participants is more, then the competitions may be conducted class wise (in class itself) and then selected students are to compete group wise. Competitions are to be conducted in two periods without affecting the regular subject periods.
- vi. Conduct a school level Exhibition by Primary students. (Toys from trash, teaching aids, some concepts of everyday science)
- vii. Conduct 1 medical check-up for all the students in an academic session.

Yours sincerely,

Secretary
