VIVEKANANDA KENDRA

VIVEKANANDA ROCK MEMORIAL (VRM)

Swami Vivekananda, with intense love in his heart for Bharat Mata, undertook voyage as a wandering monk all over India. He came to Kanyakumari and sat on the mid-sea rock, meditating on India's past, present and the future. It was on this rock that he discovered the mission for glorious India and later shook the world by Vedanta Philosophy and all-inclusive spiritual ideas.

On this sanctified rock, late Mananeeya Eknathji Ranade, with the participation of millions of people of India, constructed **Vivekananda Rock Memorial**, which symbolizes the glorious mission, as seen by Swami Vivekananda in his meditation, to restore Bharat Mata on the throne of '**Jagatguru**'.

Vivekananda Rock Memorial was inaugurated in 1970 and has since become a point of National Convergence. Over the years, this concrete symbol of inspiration has drawn millions of pilgrims and provided them inspiration to serve the society.

Service Mission

As the Vivekananda Rock Memorial was taking shape, **Mananeeya Shri Eknathji Ranade** also envisaged a mission that would manifest the idea of **Man-making and Nation-building**. The result was the conception and formation of the **Vivekananda Kendra** as a spiritually-oriented service mission, which reflected Swami Vivekananda's vision of glorious India in action. **Vivekananda Kendra** is an eternal call for those youth who aspire to dedicate their life to serve the nation. It aims at national reconstruction through 'Man Making'. Mananeeya Eknathji envisaged Vivekananda Kendra as a non-political organization to link all nationalistic, socio-cultural organizations, bringing together all forces on a nationalistic platform, and create awareness for a need of organized work for the regeneration of nation.

To spread the message of Swami Vivekananda and to also to motivate people to work for the country, Vivekananda Kendra adopts a simple, yet effective methodology by organizing :

- **'Yoga Varga'**, motivating the people to live a Yoga way of life, which is holistic in nature, with an aim to link the individual with the society and nation at large.
- **'Samskar Varga'**, which are value-education centres for inculcating in children and teenagers, the future Nation-builders, with values on ethics, morality and patriotism.
- **'Swadhyaya Varga'**, which are Study-Circles enabling the Youth of our country to develop conceptual clarity about Yoga way of life & matters of national interests, understand in right perspective the various matters of concern to our nation and the world as a whole, and channelizing their energies into works of national re-construction.
- **'Kendra Varga'**, Kendra Varga is the combination of all the Vargas targeted to involve maximum Karyakarta. Activities in the Kendra Varga may be arranged to suit the need of different groups.

What started as a small stream in 1972 is now a mighty flow - the Kendra has now **hundreds** of dedicated workers and over **600** branch centers located all over India and various projects in the field of culture, education and sustainable development, to rebuild the nation and serve all strata of the society.

To achieve this, a non-monastic order of whole-time workers and the local workers of the Kendra, undertake various service activities like **Rural Development, Education** in interior and rural areas, **Organizing Youth and Women, Development of Natural Resources**, and **Publications** based on the life and Message of Swami Vivekananda.

The whole time workers are of three categories: **'Jeevan Vratīs'** or Life Worker - the young men and women who dedicate themselves to the nation by joining Kendra for life; **'Seva Vratīs'** who commit themselves on full-time basis in Kendra for specific period of time; and **'Vanaprasthis'** who are "retired but not tired" and join Kendra after fulfilling their commitments in family life.

Education

Swami Vivekananda pinpointed lack of proper education among the masses as the root cause of the malaise in the society. Kendra has, therefore, taken up Education as one of its main service activities. Kendra is running schools or **Vivekananda Kendra Vidyalayas** (popularly known as **VKV**) in Arunachal Pradesh, Assam, Nagaland, Andaman & Nicobar Islands, Tamil Nadu and Karnataka.

Besides, in Arunachal Pradesh, Kendra runs number of **Balwadis** - imparting pre-primary education to the budding children; **Anandalayas** - school supporting Education for primary school children to minimize dropouts from Government schools; **Kasturba Gandhi Balika Vidyalayas (KGBV)**; and **Vocational Training Centers (VTC)**.

VIVEKANANDA KENDRA ARUN JYOTI

While Sri Eknathji Ranade had his feet in Kanyakumari where he raised the Memorial for Swami Vivekananda, his vision was 2000 miles away at Arunachal Pradesh where he founded the first service projects of Kendra. Eknathji sent the first batch of trained Jeevan Vratīs to preserve the traditional culture and local faith and to strengthen the socio-cultural fabric of the peace-loving society. A variety of programmes are taken up with the active participation of the local population in general and youth in particular.

The Kendra gave in Arunachal high priority to Socio-Economic and Cultural programmes through its ARUN JYOTI PROJECT. The activities include:

- Non formal Education to the Arunachali
- Awareness camps for women in the field of health care and family management
- Organizing Cultural Meet and Seminars
- Bharat Darshan Tours, Adventure Camps

- Setting up rural libraries
- Emphasis on indigenous method of cultivation using modern technology
- Developing local handicrafts and arts
- Encouraging local dances, drama, music and festivals
- Production of indigenous medicines
- Organizing Exhibition and camps for youth in career development.

Vivekananda Kendra's current nation-wide programme of '**Arunachal Bandhu Parivar**' is an expression of the Nation's support to Arunachal Pradesh. The Arunachal Bandhu Parivar is organized all over the country to gather support for the cause of Arunachal. A person, who wants to enroll oneself as Arunachal Bandhu, commits to give every year, for ten years, a specified amount for the developmental activities in Arunachal Pradesh.

**VIVEKANANDA KENDRA
INSTITUTE OF CULTURE (VKIC)
ARUNACHAL CHAPTER**

The Kendra works to promote "**Development Through Culture**" in Arunachal Pradesh through the '**Arunachal Chapter**' of '**Vivekananda Kendra Institute of Culture (VKIC)**'; in contrast to development that steam-rolls and destroys the local culture. The ultimate aim of the Kendra is to evolve **Arunachal as a Model State with a strife-free society**. It is a civilization challenge, and calls for a paradigm-shift. In the conception of the Kendra, Modernization means Self-renewal, and not cutting-off one's roots which in long term ultimately results in the demise of a culture, tradition, community and civilization.

VIVEKANANDA KENDRA VIDYALAYAS of ARUNACHAL PRADESH

Vivekananda Kendra Vidyalayas (VKVs) in Arunachal Pradesh, under **Vivekananda Kendra Vidyalayas Arunachal Pradesh Trust (VKVAPT)**, is the oldest service activity of its parent organization **Vivekananda Kendra**, a spiritually-oriented service mission with headquarters at Kanyakumari. Since their inception in 1977, VKVs have been striving to provide an all-round nationalistic education to the children of this remote Himalayan State of India. Presently, VKVs in Arunachal Pradesh are 40 in number, which includes Ekalavya Model Residential School, Bana. VKVs have been acknowledged throughout the North-East India for their substantial contribution in improving the educational scenario in these States. A large number of 1st Generation learners, especially from poor & backward villages have emerged as Doctors, Engineers, Professionals in Fine Arts, Businessmen, IAS Officers, as well as enlightened citizens.

Almost three and half decades back, Mananeeya Eknathji Ranade, honouring the invitation of Government of Arunachal Pradesh, deputed Mananeeya Sri. A. Balakrishnanji to Arunachal Pradesh to start schools. In 1977, the first VKV was started at Sher (near Kimin) in Papum Pare district, with a total strength of 30 hostellers. The same year also saw inauguration of six more VKVs, at Balijan, Roing, Jairampur, Kharsang, Oyan and Seijosa.

In the following years, as people could comprehend that the VKVs are for qualitative education, there is a demand for opening of VKVs in all the districts of Arunachal Pradesh. At present 40 VKVs are catering the educational needs of all districts of Arunachal Pradesh, except newly formed districts.

VKVs are known for their Academic Excellence. The 5-fold Development methodology, i.e., Physical, Vital, Emotional, Intellectual and Spiritual aspects of Human Personality are given due importance and accordingly, tailor-made activities are incorporated in day-to-day school routine, with very good results.

VKVAPT is a registered Trust under Indian Trust Act, having its Registered Office at Nirjuli, Arunachal Pradesh, and its Administrative Office at Dibrugarh, Assam.

Some features of our VKVs:

- 22 of our VKVs in Arunachal are residential for bonafide Arunachali children.
- 7 among the residential schools are exclusively Girls' residential.
- A team of dedicated and committed teachers is entrusted the responsibility of manning the schools.
- Teachers reside in the school campus itself along with the children in the atmosphere of a single home, as in the ancient Gurukul system and are, therefore, present day and night to guide, help and look after the children.
- Medium of education is English, and Hindi is compulsory. Sanskrit is also taught up to Secondary Level.
- Admission is made only to the lowest class of each school and in class XI.
- NCERT syllabus is followed with suitable additions / modifications for teaching additional skills according to local requirements. The schools are affiliated to Central Board of Secondary Education (CBSE), New Delhi, and students appear for Board examination in Class X and XII.
- Selected numbers of schools are upgraded to Higher Secondary schools with multipurpose educational facilities.
- Special emphasis and training is given to the children to learn and promote local arts and crafts.
- All the 5 spheres of child-development, i.e., Physical, Mental, Emotional, Intellectual and Spiritual, are given equal importance.
- Co-curricular activities include Spoken English, Quiz Programmes for development of General Knowledge, Subject-wise seminars and congress, Literary and cultural competitions, etc.
- Extra-curricular activities include Yoga, Surya-namaskara, Pranayama, Meditation, Personality Development Camps, Educational Tours, Aptitude Test & Career Counseling, National Service Scheme, etc.
- For Sports & Games, qualified and experienced physical instructors are appointed to train the students in Track and Field events, Band, Drill, Surya Namaskars, Football, Volleyball, Kho-Kho and other games. Many of our schools have qualified for Zonal and National level competitions organized by CBSE and won awards. Every year, intra-VKV and inter-VKV school tournaments are organized to encourage boys and girls in Football, Kho-Kho and Volleyball.

- “Loss of Culture is Loss of Identity” - This dictum is observed in all the cultural programmes presented by the students.
- The Kendra has taken meticulous care that while imparting modern and specialized education to the children, the Arunachali people’s local traditional culture, values & customs are respected, preserved and nurtured.

ADMISSION PROCEDURE :

Admissions in various classes are done as per the prevailing policy of admission on the Second Saturday of February every year. Application forms will be available in all the schools in the month of January, and last date for submission of application is fixed 5th February.

For Class XI, the admission procedure commences just after the announcement of AISSE Results by CBSE.

Principals of the respective schools may be contacted for more details.

IMPORTANT: The mode of payment of fees shall be through **SBI COLLECT (online)** only.

DETAILS OF THE SCHOOLS RUN BY VKVS ARUNACHAL PRADESH TRUST

RESIDENTIAL SCHOOL FOR GIRLS

The Arunachal society is women-centred. The women take care of the whole management of the house, in addition to working in the field, taking care of children and their education, etc.

VKVs felt the importance of orienting the women to make the society healthy. This can be accomplished only by educating the girls and unfolding their multidimensional personality.

The girls are deprived of the basic education due to various communication and infrastructure problems.

Keeping all these factors in mind, Vivekananda Kendra started 7 exclusive residential schools for girls in various districts to take care of their education. The details of each school are furnished below.

“Let new India arise – out of the peasant’s cottage, grasping the plough; out of the huts of the fishermen, the cobbler and the sweeper. Let her spring from the grocer’s shop, from beside the oven of the fritter-seller. Let her emanate from the factory, from marts and from markets. Let her emerge from groves and forests, from hills and mountains.”

~ Swami Vivekananda

AN APPEAL

Mananeeya Eknathji wanted that like Vivekananda Rock Memorial, Vivekananda Kendra should be an expression of the common will of people in the form of “Yagna”, a beautiful concept in our glorious Indian tradition, which means “an act performed without any selfish motive - as an offering to the Divine - and done with a collective consciousness and aspiration”. Vivekananda Kendra’s work is a ‘National Yagna’, to which all can contribute - either money, time, moral support or experience. We appeal to dear parents to actively participate in this National Yagna by sponsoring any one or more programmes given hereunder :

- By becoming an ‘Annual Patron, Lump-sum Patron or Perpetual Patron’ under the Patron Scheme for Life-workers. (Please have the details from the Principal of the school)
- By subscribing Kendra publications and magazines, which are available in Hindi, English and Assamese among the other Indian languages.
- By adopting one month activities of Arun Jyoti programmes every year by contribution of Rs.2,00,000/- for 5 years
- By sponsoring the education of an Arunachali child reading in VKV by contributing Rs.18,000/- per year.
- By sponsoring the higher or technical education of an Arunachali student by contributing Rs.20,000/- per year for next 3 years or a lump-sum of Rs.50,000/-.

- By donating a sum of Rs.10,000/- or more per month for next 5 years or a lump-sum donation of Rs.1,00,000/- per year.
- By sponsoring publishing of books on culture, folk songs and stories, etc., in Arunachali dialect: Rs.15,000/- per book.
- By sponsoring mementos such as pictures, panels, stickers, etc., for free distribution: Rs.10,000/- lump-sum.
- By sponsoring National Integration Camps, Bharat Darshan tours, etc., of ArunJyoti : Lump-sum donation of Rs.25,000/-.
- By motivating youths to work for 3 years as Seva vratīs in Arun Jyoti or other projects.
- By donating in kind, such as library books (Hindi, English and local Arunachali dialect), CDs about health & hygiene, games, sports, etc.
- By motivating young graduates to give 5 years of their time to work in schools in Arunachal.
- By joining VKV as a dedicated teacher, if you are graduate or post graduate.

Whatever may be the extent of your participation in this National Renaissance Movement, we are sure that you will be rendering a great service to that extent to our Arunachal Pradesh.

“Education is the manifestation of the perfection already in man. Education is not the amount of information that is put into your brains and runs riot there, undigested, all your life. We must have life-building, man-making, character-making assimilation of ideas. We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one’s own feet”.
